

COVID-19 Testing

Free COVID-19 testing for Oak Park Neighborhoods

Sacramento County Public Health is providing **FREE COVID-19 testing** for residents of the North Oak Park area by **appointment only** at:

St. Paul Missionary Baptist
3996 14th Ave
Sacramento, CA 95820

**A limited number of testing appointments are available on
Tuesdays & Fridays
9:00 AM- 3:00 PM**

Who is eligible to make an appointment?

- Residents of North Oak Park area neighborhoods (those residing in zip codes 95820 and 95817).
- Those age 16 or older with a valid form of photo identification that includes date of birth. U.S. Citizenship or legal residency is not required.
- People with severe symptoms should contact their healthcare providers for testing.

How do I make an appointment if eligible?

- Testing is available by appointment only. Appointments are subject to availability.
- Appointment requests can be made by calling (916) 628-7676 between 8:30am – 4pm Monday through Friday. Please leave a message that include the following information for the person requesting an appointment:
1. Full name 2. Date of birth 3. Address of residence 4. Call back number

What do I need to know about the day of my appointment?

- Come alone or limit to the number of persons that accompany you.
- Wear a face covering unless you have been told not to for medical reasons.
- Bring a valid identification with a date of birth to check in at your appointment.
- A qualified healthcare provider will administer the nasal swab collection procedure.
- The appointment will take 10-15 minutes on average.

How will I get my results?

- Results take 3-6 days, depending on testing volume at the Sacramento County Public Health Laboratory.
- A Public Health nurse will call you with your results within a week.

Questions about the testing can be directed to COVID19@sacounty.net
